#### DATA CORP TO CONDUCT THE 2006 KANSAS COMPREHENSIVE TREATMENT NEED STUDY

In November 2005, the State of Kansas Addiction and Prevention Services of the Department of Social and Rehabilitative Services awarded a competitive contract to DATA CORP. Collaboratively, DATA CORP and PAXIS Institute will conduct a comprehensive study of the substance abuse treatment needs throughout Kansas. As of February, three preliminary reports have been completed. The first report is a synthetic estimation study of substance abuse treatment need. It presents "synthetic estimates" of the number of people in need of treatment in each county in Kansas. The second report is a synthetic estimate of the substance abuse treatment gaps. It identifies the number of people with unmet treatment need and
